OUR LEARNING

At YDC, we're excited to partner with you and our amazing teachers to help students excel! Our mission to INSPIRE, EQUIP, and GUIDE urban youth to LIVE, is all about helping your child grow in reading and math. We're on the "Road to STAARdom"! Through engaging sessions with their teachers, our 3rd – 6th graders are sharpening their skills for the upcoming STAAR tests. Students who fully engage will enjoy a pizza party and fun activities during the week of May 12th! We can't wait to celebrate their hard work and accomplishments! Thank you for your partnership and support. Let's cheer them on as they reach for the stars!

ENRICHMENT ACTIVITIES

- Our April enrichment will include activities for National Siblings Day, World Art Day, Earth Day, and a YDC Easter egg hunt.
- Our May enrichment will include activities for YDC Teacher Appreciation Week, Mother's Day, World Bee Day, YDC Outdoor Field Week, an Award Ceremony for students, and a Luau celebration.

POSITIVE PARTNERSHIPS

As part of YDC's Black History Month celebration, we proudly welcomed Olympic gold medalist Courtney Okolo, a member of the 2016 Rio Olympics 4x400 meter relay team. Her visit exemplified resilience, excellence, and the importance of pushing beyond comfort zones. Through an engaging Q&A session, Ms. Okolo encouraged students to embrace challenges and view failure as part of the journey to success. A memorable highlight was when students were allowed to hold her Olympic gold medal, a powerful symbol of achievement earned through dedication and perseverance. Ms. Okolo graciously signed autographs for every student making the experience even more special and meaningful. By connecting our students with such an inspiring role model, YDC continues to empower our youth to dream big, work hard, and pursue their goals with confidence and resilience. Thank you Courtney!
